### CANFORD CLIFFS WARD PLANNING LIST

#### Significant planning applications, appeals and decisions: August 2024

#### 1. Summary

While summer often brings a slowdown in new applications, August has been notably active. We've seen a continuation of the decision-making momentum from June and July, with a surge in applications – some substantial and others affecting Conservation Areas.

In this update, we'll cover key decisions from the past month and spotlight notable applications within the Canford Cliffs ward.

We encourage you to stay engaged by providing feedback on both current and upcoming proposals. Public consultations are available through the BCP planning portal, so don't miss the chance to have your say.

#### 2. OUTSTANDING

##### 2.1 SIGNIFICANT APPLICATIONS (Yet to be determined)

**APP/24/00823/R**

**19/07/2024**

REGISTERED

Carisbrooke, 172 Canford Cliffs Road, Poole, BH13 7ES

Reserved matters application following outline permission APP/21/01719/P for Appearance and landscaping. The Arboriculture team have advised that new trees are required to be shown on the application, with an increase in number (ratio of 2:1).

**APP/24/00807/F**

**16/07/2024**

REGISTERED

1 Rowington Hall, 4 Dover Close, Poole, BH13 6EA

The application seeks to replace an existing sunroom with a slightly larger glazed garden room to the rear elevation. Although cited within the Branksome Park and Chine Gardens Conservation Area, this proposal appears to be in keeping with the property and surrounding area.

**APP/24/00799/F**

**15/07/2024**

REGISTERED

5 St Clair Road, Poole, BH13 7JP

While the proposal involves demolishing an existing garage and side extension to construct a new dwelling, it generally aligns with the scale and massing of the surrounding properties. However, as with any effort to increase density, the resulting amenity spaces appear somewhat constrained, and the relationship with the existing streetscape is seldom enhanced.

Although the proposed scheme has a pitched roof and matches the height of the adjacent building, it does propose large areas of glazing which have drawn recent complaints from neighbours.

**APP/24/00786/F**

**18/07/2024**

REGISTERED

16 Lakeside Road, Poole, BH13 6LR

The proposal seeks to replace an existing house with four flats. Neighbours are concerned about overdevelopment, noting that the street predominantly features detached houses and that flatted developments may be inappropriate. Past applications were refused due to poor daylight access, a concern still relevant here. The site's slope and limited access also pose parking and access challenges. Additionally, the proposal's proximity to the Branksome Park and Chine Gardens Conservation Area has led BPC CRA to object.

**APP/24/00778/F**

**17/07/2024**

REGISTERED

Forest Lodge, 16 Burton Road, Poole, BH13 6DU

The proposal seeks to convert an existing triple garage into a small maisonette. The previously refused scheme (APP/24/00080/F) was very similar to the current proposal. As this is a backland/site-splitting application within the Branksome Park and Chine Gardens Conservation Area BCPPRA have objected to this proposal.

**APP/24/00772/F**

**12/07/2024**

REGISTERED

17 Criche Mount Road, Poole, BH14 8LT

The proposal aims to replace an existing dwelling with a larger, modern detached house. Despite being situated on a relatively large site, this replacement dwelling is significantly larger than the existing modest structure. Additionally, it seems to encroach upon a designated tree root protection area. The site lies adjacent to the Evening Hill Conservation Area.

**APP/24/00683/F**

**19/06/2024**

REGISTERED

61 Haven Road, Poole, BH13 7LH

The proposal involves demolishing an existing garage, subdividing the land at the rear of the current house, and constructing a two-storey, three-bedroom house with parking. While this development would have minimal impact on the streetscape, it essentially equates to building an additional house within the garden.

Sundar View, 5A Shore Road, Poole, BH13 7PH

The demolition of an existing house, to be replaced with a large 4-bedroom Italian-style villa, with double garage and parking.

**APP/24/00676/F**

**14/06/2024**

REGISTERED

Flats 5 and 6, Infinity, 338 Sandbanks Road, Poole, BH14 8HY

The application proposes to extend two existing roof terraces with glass balustrades or screens. The proposed balustrades will be 1.2 meters high and made of clear glass, instead of the more commonly used 1.8-meter-high obscured glazing, typically employed to mitigate concerns related to overlooking and privacy.

**APP/24/00619/F**

**12/06/2024**

REGISTERED

12 Eaton Road, Poole, BH13 6DG

This proposal includes amended plans for the previously approved application APP/21/01013/F. The original proposal involved demolishing an existing garage, subdividing the land to create a new detached dwelling with a garage, and installing a new garage for the existing house at 12 Eaton Road, Poole, BH13 6DG. The updated plans and variations reflect proposed changes to the dwelling and include an updated arboriculture impact appraisal and method statement.

**APP/24/00592/F**

**23/05/2024**

REGISTERED

Seashores & 7 Chaddesley Wood Road, Poole, BH13 7PN

Extension to provide an additional floor of accommodation.

This 4-storey development is out of scale when compared to the neighbour's property which is 2 stories tall.

**APP/24/00547/F**

**28/05/2024**

REGISTERED

13 Ravine Road, Poole, BH13 7HS

**APP/24/00490/F**

**29/05/2024**

REGISTERED

4 Alington Road, Poole, BH14 8LZ

Demolition of the existing building and construction of two detached buildings comprising a house and three apartments (4 homes in total) with associated parking, landscaping and access (planning permission APP/23/00958/F). Variation of Condition 2 to amend approved plans. This variation to a condition is seeking to add another storey of accommodation onto an approved scheme – which seems to warrant more than a variation.

**APP/24/00471/F**

**11/06/2024**

REGISTERED

6 Burton Road, Poole, BH13 6DU

Remodel, alteration and extension of the house to include front and rear extensions and raised rear terraces. Following several applications, including one to demolish the existing structure and erect 12 flats, and several unsuccessful appeals, this new application seems more reasonable. The site is within the Branksome Park and Chine Gardens Conservation Area and the application is one of three concurrent applications for this site:

- APP/23/01109/F: Remodel the existing structure to create 4 flats. **WITHDRAWN**
- APP/23/01098/F: Demolish the existing structure and replace it with a 7-bedroom house with a pool. **GRANTED**

The proposal intends to retain some of the existing walls, optimistically presenting it as a remodelling project. Although the design is boxy and modern, and not in keeping with the surrounding area, at one storey in height (when viewed from the road) it is an improvement over the previous applications.

**APP/23/01294/P**

**18/12/2023**

REGISTERED

Evening Hill Grange, 18 Alington Road, Poole, BH14 8LZ

This application proposes the demolition of a period building, described as a local heritage asset (of architectural interest), and replaces it with a modern block of flats, with basement car parking. Aligned with the Dorset Lakes Resident Association, BPCORA has raised an objection to this application.

**APP/22/01167/P**

**03/05/2023**

REGISTERED

Haven Hotel, Sandbanks Hotel, and Harbour Heights Hotel

The Harbour Heights Hotel lies within the Canford Cliffs Ward. The revised proposal includes the erection of a 38-suite aparthotel with associated hotel facilities, access, and underground parking on the site of the Harbour Heights Hotel. The proposal is larger in mass than the existing and it requires the removal of existing trees, detrimental to the street scene and local area. The application also includes the development of the Haven Hotel and the Sandbanks Hotel. There are numerous objections, including one from BPCORA.

### 3. NEW

#### 3.1 SIGNIFICANT DECISIONS (Made during this period)

APP/24/00732/F

28/07/2024

WITHDRAWN

24 Chaddesley Glen, Poole, BH13 7PF

The application proposes to demolish an existing building and replace it with a pair of semi-detached houses, garages and parking. Sub-dividing these narrow plots along Chaddesley Glen increases the density and appears to be overdevelopment. Several objections have been raised by neighbours, citing the scale of development and that a single-family dwelling would be more suitable for the location.

APP/24/00777/K

10/07/2024

GRANTED

3 St Clair Road, Poole, BH13 7JP

Certificate of lawfulness for a proposed two-storey rear extension to create a sunroom and ensuite bathroom. A retrospective application for a two-storey extension to provide a sunroom and ensuite. Although blocky in form, the proposal is to the rear of the property and not visible from the street.

**GRANTED**

10A Nairn Road, Poole, BH13 7NQ

The proposal aims to add a new carport, home gym, and games room, as well as to resurface the existing driveway.

**APP/24/00534/F**

**10/05/2024**

**GRANTED**

36 Western Road, Poole, BH13 6ET

Single-storey rear extension and chimney stack to east elevation.

The site is located within the Chester Road Conservation Area.

This application is the same as a previously refused scheme, APP/24/00046/K, which sought a Certificate of Lawfulness for a small single-storey rear extension.

**APP/24/00256/F**

**04/03/2024**

**REFUSED**

10 Lilliput Road, Poole, BH14 8JZ

This proposal aims to reconfigure the internal arrangements and build another storey on top of the existing building. The proportions of the roof extension are dominant and do not appear to respect the existing building, its neighbours, or the surrounding area. Although outside of any conservation area, BPCRA will be objecting to the design of this proposal.

**APP/24/00197/F**

**04/03/2024**

**GRANTED**

26 Forest Road, Poole, BH13 6DH

The proposal aims to partially remove an existing garage and rebuild it to form an annexe, ancillary to the existing dwelling. Although the site is within the Chester Road Conservation Area, the proposal does not appear to be visible nor detrimentally impact the surrounding area.

**APP/23/01109/F**

**28/09/2023**

**WITHDRAWN**

6 Burton Road, Poole, BH13 6DU

Substantial alterations and extensions of an existing building to create 4 flats with associated parking and access. Much of the original doesn't seem to be kept, so the description should read as a complete redevelopment. This is one of two concurrent applications for this plot (APP/23/01098/F). This site lies within the Branksome Park and Chine Gardens Conservation Area. As this proposal is within a conservation area, BPCRA has submitted an objection.

**15/08/2024**

REGISTERED

Park Court, 47 Western Road, Poole, BH13 6ES

Prior approval for the erection of two additional storeys on the existing block of flats to create new residential units. Although thoroughly reasoned within the application, this proposal seeks to add two storeys through permitted development. The application will disrupt the existing occupants and has already garnered a large number of objections.

The site is adjacent to Westbourne Conservation Area.

**APP/24/00904/F**

**23/08/2024**

REGISTERED

29 Pinewood Road, Poole, BH13 6JP

**07/08/2024**

REGISTERED

18 De Mauley Road, Poole, BH13 7HE

The proposal seeks to change the materials of the front elevation and replace an existing rear extension with a fully glazed version. New fenestration and a new material finish to the front elevation with glazing to the existing inset balcony in place of an existing wall. The changes proposed are relatively minor, with the material finish of the existing dwelling the most impactful. The site is within the Canford Cliffs Village Conservation Area.

**13/08/2024**

REGISTERED

**30/07/2024**

REGISTERED

70 Anthonys Avenue, Poole, BH14 8JJ

Demolition of existing dwelling and erection of two dwellings with detached garages, bike stores, access and landscaping. Although this is a revised scheme, the changes between it and the previous application (APP/24/00114/F) are not overly obvious. The dwellings have been moved together to share a party wall which has increased the amount of area surrounding the proposed dwellings. Aside from this move, there doesn't appear to be any difference in the proposals, so previous objections remain relevant.

**APP/24/00848/F**

**06/08/2024**

REGISTERED

75 Canford Cliffs Road, Poole, BH13 7AH

The extensive proposal seeks to demolish the current store, roof canopy, and lean-to extension along with other minor amendments. It aims to build a large new single-storey extension, replace a roof and install new rooflights, windows and metal railings. Although the description includes a lot of work, the result is a very large orangery-style extension and several smaller additions that create a very flat façade. Although large, these proposals are to the rear of the property and are proposed on a very large plot in the Branksome Park and Chine Gardens Conservation Area.

**APP/24/00836/F**

**30/07/2024**

REGISTERED

Second Floor Flat, 32 Eaton Road, Poole, BH13 6DG

This is a full application, for the use of a container for use as a home office. A retrospective application was recently refused due to the application type, and location within the Chester Road Conservation Area.

**APP/24/00815/F**

**14/08/2024**

REGISTERED

12 Dalkeith Road, Poole, BH13 6LQ

This application seeks to change the use of an existing outbuilding to a self-contained unit of accommodation. This application is concurrent with the application for a portion of the existing building to be considered as a separate dwelling (APP/24/00814/J), which would mean that this site would then contain three dwellings. This site-splitting application is within The Avenue Conservation Area.
