### CANFORD CLIFFS WARD PLANNING LIST

#### Significant planning applications, appeals and decisions: November 2024

#### 1. Summary

As the year draws to a close, the Planning List reveals that the number of applications and decisions remains steady, resulting in a busy month for planning applications, appeals, and decisions. While new submissions encompass both significant and minor alterations, the primary focus has been on evaluating proposed changes that could impact the character of the area and its surroundings. Proposals for additional storeys, extensions, and property conversions have sparked discussions on achieving a balance between development and conservation.

This month's list is particularly notable for applications within conservation areas and those affecting sensitive sites, where preserving the visual and environmental integrity of the area is of utmost importance. The local council's scrutiny seeks to ensure that modifications adhere to established planning conditions and policies, particularly concerning landscaping, infrastructure, and neighbourly amenity.

The community is encouraged to stay engaged and share feedback on applications via the BCP website. This report provides an overview of key proposals, their potential impacts, and the ongoing deliberations within the Canford Cliffs ward.

---

#### 2. OUTSTANDING

##### 2.1 SIGNIFICANT APPLICATIONS (Yet to be determined)

**APP/24/01162/F**                      **21/10/2024**    REGISTERED  
9 Brudenell Road, Poole, BH13 7NN  
BCPPRA has objected to this application, which proposes adding an additional storey (albeit recessed) to an approved building. This addition cannot be considered a 'minor material amendment' due to the significant change in scale, mass, and impact on the area's character.

**APP/24/01158/F**                      **21/10/2024**    REGISTERED  
23 Brudenell Avenue, Poole, BH13 7NW  
Install a roof terrace on the top floor with privacy screening and glass balconies, access by an internal staircase

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

**APP/24/01157/F**

**21/10/2024**

REGISTERED

23A Brudenell Avenue, Poole, BH13 7NW

Install a roof terrace on the top floor with privacy screening and glass balconies, access by an internal staircase

While not particularly contentious, given it is a joint application with the most affected neighbour as co-applicant, the proposal contradicts conditions set in the original application. Notably, the initial approval (APP/19/00125/F) explicitly prohibited use of the roof as a terrace.

39. There would be no greater/ material impact on neighbouring amenity from the current scheme taking into account cumulatively the proposed dwellings' lower overall height, alignment and greater distance to neighbouring dwellings than the previously approved scheme; the nature of side-facing windows and that obscure glazing and further openings are secured by conditions 14 and 15; that use of the external staircase would not be prolonged; and proposed boundary planting. There is potential for overlooking from the front balconies towards properties to the north given its lower siting and window and access arrangement; privacy screening is therefore secured by condition 12. Similarly, the use of flat-roofed areas as balconies is precluded by condition 13 to prevent material overlooking.

**APP/24/01116/F**

**10/10/2024**

REGISTERED

10 Lilliput Road, Poole, BH14 8JZ

This application aims to add rooms in a new roof, add a single storey rear extension and change of use to 'Holiday Let'. This proposal is similar to the previously objected scheme, APP/24/00256/F, and, unfortunately, it does not amend the design or address the previous concerns in a way that would warrant a change in our position. The scale and massing of the extension proposals set out in the application appear disproportionate, raising issues of overdevelopment and detracting from the visual harmony of the neighbourhood. Furthermore, the design aesthetics of the extension are lacking, failing to complement the existing built environment and creating overlooking issues for their neighbours.

**APP/24/01086/F**

**02/10/2024**

REGISTERED

13 Ravine Road, Poole, BH13 7HS

Change of use from offices, along with an extension to form a 3 no. bedroom detached house. Although not overly controversial, it is similar to the previously refused scheme APP/24/00547/F. It will be interesting to see how the Council assess this proposal, and what they feel are important factors in a decision.

**APP/24/01065/F**

**01/10/2024**

REGISTERED

39 Brudenell Avenue, Poole, BH13 7NW

The proposal involves the demolition of the existing building and the construction of two detached houses, along with associated parking, landscaping, and access. While not overly controversial, the designs are rather uninspiring and lack originality, appearing somewhat generic

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

and failing to respond to the unique characteristics of the site. Additionally, the fact that this is a concurrent application raises concerns.

**APP/24/01052/F**

**26/09/2024**

REGISTERED

39 Brudenell Avenue, Poole, BH13 7NW

Demolition of the existing building and construction of seven apartments with associated parking, landscaping and access at 39 Brudenell Avenue, Poole, BH13 7NW. Application for Variation of Conditions 2 (plans list), 5 (Screening to Balcony), 6, 7, 15 (Non-standard Conditions), 19 (Parking/Turning Provision) and 20 (Provision of Visibility Splays) of Planning Permission APP/23/01263/F as described in that Description of Development to reflect plans to increase the size of flat 7 by including an additional third floor, increasing the width of the first and second floor on the south elevation and including additional windows on the south elevation.

The proposal includes the addition of a third floor, along with increased dimensions on the first and second floors. This appears to be more than a minor amendment and warrants thorough consideration by the Council. Furthermore, no updated arboriculture information has been provided, despite potential impacts on nearby trees. Given that this is a concurrent application, we have raised an objection.

**APP/24/00956/F**

**24/09/2024**

REGISTERED

1 Links Road, Poole, BH14 9QP

The proposal aims to add a basement to the existing dwelling. Although it does not impact the street-scene, the lack of an arboriculture impact assessment and method statement raises concerns and warrants an objection.

**APP/24/01030/F**

**12/09/2024**

REGISTERED

2 Meriden Close, Poole, BH13 7JT

Described as the 'formation of a lower garden area and amended swimming pool location with associated works, including steps and retaining wall (part retrospective) and the erection of a replacement garden room'.

Initially, this application appears to be relatively minor, however, it is located on a protected Site of Special Scientific Interest (SSSI) and appears not to provide accurate information as part of the application. Due to the location on a protected SSSI, the misrepresentation within the application, and its detrimental impact on the environment, visual amenity, and structural stability of the cliff face BCPPRA has submitted an objection.

**APP/24/01005/P**

**06/09/2024**

REGISTERED

7A Spencer Road, Poole, BH13 7ET

Major outline application for the demolition of the existing dwelling and erect a replacement building containing 7 apartments with associated works (Revised Scheme).

This site is located within the Canford Cliffs Village Conservation Area. Due to the proposals' excessive bulk (especially at first-floor level), detrimental impact on protected trees,

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

overdevelopment, and incompatibility with the Conservation Area's character, BCPPRA has submitted an objection.

**APP/24/00749/F**

**04/09/2024**

REGISTERED

Upwood Manor, Bury Road, Poole, BH13 7DF

Partial demolition, extension and alterations to the existing garage/pool house, alterations to the driveway, insertion of ground floor patio doors and Velux rooflights to the rear of the existing dwelling, formation of a new porch and entrance, erection of a raised patio at the rear, an extended swimming pool, and new landscaping

This site is located within the Branksome Park and Chine Gardens Conservation Area.

**APP/24/00807/F**

**16/07/2024**

REGISTERED

1 Rowington Hall, 4 Dover Close, Poole, BH13 6EA

The application seeks to replace an existing sunroom with a slightly larger glazed garden room to the rear elevation. Although cited within the Branksome Park and Chine Gardens Conservation Area, this proposal appears to be in keeping with the property and surrounding area.

**APP/24/00799/F**

**15/07/2024**

REGISTERED

5 St Clair Road, Poole, BH13 7JP

While the proposal involves demolishing an existing garage and side extension to construct a new dwelling, it generally aligns with the scale and massing of the surrounding properties. However, as with any effort to increase density, the resulting amenity spaces appear somewhat constrained, and the relationship with the existing streetscape is seldom enhanced.

Although the proposed scheme has a pitched roof and matches the height of the adjacent building, it does propose large areas of glazing which have drawn recent complaints from neighbours.

**APP/24/00786/F**

**18/07/2024**

REGISTERED

16 Lakeside Road, Poole, BH13 6LR

The proposal seeks to replace an existing house with four flats. Neighbours are concerned about overdevelopment, noting that the street predominantly features detached houses and that flatted developments may be inappropriate. Past applications were refused due to poor daylight access, a concern still relevant here. The site's slope and limited access also pose parking and access challenges. Additionally, the proposal's proximity to the Branksome Park and Chine Gardens Conservation Area has led BPCORA to object.

**APP/23/01294/P**

**18/12/2023**

REGISTERED

Evening Hill Grange, 18 Alington Road, Poole, BH14 8LZ

This application proposes the demolition of a period building, described as a local heritage asset (of architectural interest), and replaces it with a modern block of flats, with basement car parking. Aligned with the Dorset Lakes Resident Association, BPCORA has raised an objection to this application.

**APP/22/01167/P**

**03/05/2023**

REGISTERED

Haven Hotel, Sandbanks Hotel, and Harbour Heights Hotel

The Harbour Heights Hotel lies within the Canford Cliffs Ward. The revised proposal includes the erection of a 38-suite aparthotel with associated hotel facilities, access, and underground parking on the site of the Harbour Heights Hotel. The proposal is larger in mass than the existing and it requires the removal of existing trees, detrimental to the street scene and local area. The application also includes the development of the Haven Hotel and the Sandbanks Hotel. There are numerous objections, including one from BPC CRA.

---

## 2.2 APPEALS (Yet to be determined)

**APP/23/01228/F**

**10/11/2023**

APPEAL LODGED

4 Burton Road, Poole, BH13 6DU

Revised scheme for the partial demolition of the garage, erect new side elevation walling, sever land and erect 2 detached houses with associated parking. This is an application to sever land within the Branksome Park and Chine Gardens Conservation Area and erect two detached dwellings in the rear garden of the existing house. Although not visible from the street, the proposal has detrimental implications for the surrounding properties.

**APP/23/01034/F**

**02/10/2023**

APPEAL LODGED

**APP/24/00213/F**

**27/02/2024**

Heatherlands, St Aldhelms Close, Poole, BH13 6BW

An appeal has been lodged for the demolition of the existing dwelling and the erection of two replacement detached houses with associated access arrangements (Revised Scheme).

APP/23/001034/F Refused 10/01/2024

APP/24/00213/F Refused 27/07/2024

Appeal lodged 06/08/2024

**APP/23/01478/F**

**28/12/2023**

APPEAL LODGED

329 Sandbanks Road, Poole, BH14 8HZ

Demolition of existing house and erection of a four-storey block of 7 no flats with associated access and parking.

### 3. **NEW**

#### 3.1 **SIGNIFICANT DECISIONS (Made during this period)**

**APP/24/01079/F**

**25/09/2024**

**GRANTED**

24 Chaddesley Glen, Poole, BH13 7PF

Demolish an existing building and erect two detached dwellings. The proposals are not overly controversial, but the amount of detail submitted is lacking. There are concerns over inadequate protection for off-site protected trees, specifically a Norway Maple, and non-compliance with restrictive covenants affecting the site.

**APP/24/00994/F**

**03/09/2024**

**GRANTED**

7 Brudenell Avenue, Poole, BH13 7NW

The proposal involves the demolition of the existing rear single-storey lean-to extension and the construction of a new single-storey flat roof extension with a roof terrace. Alterations to the rear fenestration will provide access to the proposed terrace, with new windows to replace the existing ones on the rear elevation. The project also includes internal alterations and refurbishment, the installation of a new flat roof, and patio doors for the existing lower ground floor rear extension. Additionally, modifications will be made to the rear retaining garden wall and steps to accommodate the new extension.

**APP/24/00876/F**

**13/08/2024**

**GRANTED**

Aldinga, 25 Brudenell Avenue, Poole, BH13 7NW

Another minor application to the property at Aldinga, this time, to enlarge the front door and introduce a sidelight, enlarge the window above the front door and the creation of a storm porch canopy.

**APP/24/00821/F**

**30/09/2024**

**GRANTED**

9A Chester Road, Poole, BH13 6DE

Retrospective planning permission for an extension to an existing entranceway staircase of 320mm additional width, and replacement flat roof with pitched roof.

**APP/24/00515/F**

**13/05/2024**

**GRANTED**

Aldinga, 25 Brudenell Avenue, Poole, BH13 7NW

The third of a string of minor applications to the same property, to create a new entrance gate and boundary wall whilst maintaining the existing entrance to the property.

**APP/24/01096/F**

**30/09/2024**

**GRANTED**

Sea Spray, 1 Gardens Road, Poole, BH14 8JF

Variation of condition 2 of planning permission APP/23/01256/F to replace approved drawings.

---

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

### 3.2 SIGNIFICANT APPLICATIONS (Made during this period)

**APP/24/01223/PA**

**06/11/2024**

REGISTERED

Park Court, 47 Western Road, Poole, BH13 6ES

A prior approval notification for the addition of two storeys on top of an existing three-storey block of flats. This revised application, which closely mirrors application APP/24/00932/PA, raises similar concerns. The application fails to specify the heights of the proposed additional storeys, leading to uncertainty about the potential visual and amenity impact. The development could result in increased inconvenience and disturbance for existing residents, as well as added pressure on local infrastructure and the overall amenity of the area.

**APP/24/01205/F**

**06/11/2024**

REGISTERED

1B Mount Grace Drive, Poole, BH14 8NB

The applicant proposes the demolition of the existing garage and the erection of a slightly taller replacement garage with a relocated vehicle-gated entrance. While the design is standard, the increase in height could affect the visual impact on the streetscape and the character of the residential area. The repositioned entrance should also be assessed for potential effects on traffic safety and pedestrian flow. The proposal must comply with local planning policies, and a review of its impact on neighbouring properties and overall amenities is essential to ensure it aligns with residential standards.

**APP/24/01203/F**

**13/11/2024**

REGISTERED

1 Pinetree Drive, 6 Wilderton Road, Poole, BH13 6EE

The proposals involve the demolition of a conservatory to erect two single-storey side extensions, including fenestration alterations and proposed landscaping. Situated within the Branksome Park and Chine Gardens Conservation Area, the proposal features two flat-roofed, orangery-style extensions running the length of the existing building. One of these extensions extends the building footprint closer to the site boundary, where there appear to be trees. Provided these trees are not affected by the construction, the proposal is unlikely to impact neighbouring properties or be visible from the streetscape. However, it is important to assess how the new extensions will integrate with the existing building and surrounding area, ensuring alignment with the conservation area's character and the amenities of neighbouring properties.

**APP/24/01198/F**

**07/11/2024**

REGISTERED

1A Martello Road, Poole, BH13 7DQ

The planning application at 1A Martello Road proposes the erection of outbuildings and landscaping in the rear garden of a property within the Branksome Park and Chine Gardens Conservation Area. While the outbuildings are large, their discreet location at the rear ensures they are not visible from the street, minimising their impact on the streetscape and public realm. Key considerations include ensuring the design and materials are sympathetic to the conservation area's character, preserving mature trees, and integrating high-quality landscaping to soften the development's visual impact. The proposal appears unlikely to harm neighbouring

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

amenities but must align with local and national policies on heritage preservation. Conditions on construction management and landscaping details may be necessary to protect the area's unique setting.

**APP/24/01196/P**

**20/11/2024**

REGISTERED

49 Cliff Drive, Poole, BH13 7JF

An outline application at 49 Cliff Drive, proposes the demolition of an existing dwelling and the construction of a block of nine flats. This development raises concerns regarding the loss of amenity and the impact on the character of the area. The proposed building would introduce a significant increase in mass and scale, which would be out of proportion with the existing properties and disrupt the established streetscape. The replacement of a single dwelling with a multi-unit block could lead to additional pressure on local infrastructure, traffic, and parking. These factors must be carefully considered to ensure that the development aligns with the local community's needs and the area's character.

**APP/24/01190/F**

**14/11/2024**

REGISTERED

25 Links Road, Poole, BH14 9QR

A single-storey extension to the front of the property to create an additional bedroom. This development is not considered contentious, as it appears to be in keeping with the scale and design of the existing property and neighbouring buildings. The proposed extension is unlikely to have significant visual or amenity impacts on the surrounding area. However, it is important to ensure that the design and materials used complement the character of the property and maintain the overall streetscape.

**APP/24/01180/F**

**04/11/2024**

REGISTERED

54B The Avenue, Poole, BH13 6LN

The proposals aim to demolish the existing dwelling and garage to construct 10 new apartments with basement parking and associated landscaping. Situated between the Avenue Conservation Area and the beach, this proposal introduces significant massing, raising concerns about potential overlooking, particularly towards number 54, and possible disruption to nearby tree roots. The adequacy of the basement parking is also in question, as it could lead to increased on-street parking and strain local infrastructure. Although not within the Conservation Area itself, the proposal would add density and mass to a prominent route in a sensitive location, warranting careful consideration by the council to ensure that it aligns with local planning policies and preserves the character of the area.

**APP/24/01171/F**

**28/10/2024**

REGISTERED

21 Dover Road, Poole, BH13 6DZ

The proposals involve a range of modifications to the existing house, including alterations to the roof and dormers, the construction of a first floor above the garage, a car port with a flat green roof, changes to external facing materials and fenestration, the installation of a Juliet balcony, internal modifications, a garden room roof modification to create a bat loft, and external

# BRANKSOME PARK & CANFORD CLIFFS

## RESIDENTS' ASSOCIATION

THE PARISH OFFICE • THE BRANKSOME ST ALDHELM CENTRE • 401 POOLE ROAD • BRANKSOME • POOLE • DORSET • BH12 1AD

landscaping with a raised patio. While it is positive to see a retrofit approach rather than a new build, concerns have been raised about the use of millboard (timber-effect plastic) for external materials, as this may not align with the quality and sustainability expectations of the area. Further consideration should be given to the impact on the visual character of the property and how it integrates with the surrounding environment.

**APP/24/01098/F**

**30/10/2024**

REGISTERED

43 Links Road, Poole, BH14 9QS

The application proposes ground-floor front and rear extensions, along with alterations to the roof to create first-floor accommodation, and an extension to the driveway. This development is not considered controversial, as it aims to adapt the existing property to provide a more generous living space. The proposed changes appear to be in keeping with the character of the area, enhancing the functionality of the home without significantly impacting the streetscape or surrounding properties.

**APP/24/01041/F**

**07/11/2024**

REGISTERED

4 Imbrecourt, Poole, BH13 7NP

The application involves the refurbishment and extensions to an existing bungalow to create a new floor at the rear, resulting in a four-bedroom house with a garage. This proposal follows a previous refusal (APP/23/01029/F) on 26 October 2024 and a subsequent appeal dismissal (APP/V1260/D/23/3335966). While it is encouraging to see a retrofit approach instead of a complete new build, concerns remain about the proposed material palette, which may not be in keeping with the character of the area or local planning guidelines. It is essential that the design and materials used enhance the overall appearance and sustainability of the property, while respecting the surrounding environment and maintaining residential amenity.
